Theme days are held on a monthly basis to coincide with any national events and are great fun for both us and the pupils. So far this year we have provided, American, Bonfire, Indian, Chinese, Welsh, Irish, and of course Christmas dinner

Chartwells is working in partnership with Change 4 Life. Change 4 life is a nationwide public health campaign supported by major businesses and sectors of the community. It aims to help everyone but especially children to eat better, move more and live longer. As a partner we are required to promote healthy living, physical activity and nutrition education in all our sites. This is a fantastic opportunity for Chartwells to demonstrate our passion for the health and well being of children.
